

# OUR MISSION

**IN THE US, SIX IN TEN UNINSURED ADULTS (61%) SAY THEY WENT WITHOUT NEEDED CARE BECAUSE OF THE COST. SUGHRA GET WELL CLINIC IS A HOME FOR ANYONE AND EVERYONE'S HEALTH NEEDS, AIMING TO OFFER FREE PRIMARY CARE TO THE COMMUNITY.**

At Sughra G.W. Clinic, a fully owned subsidiary of IMI, we are proud to operate from a modern, 1,500 sq. ft. facility equipped with multiple private examination rooms and a secure, up-to-date Electronic Medical Records (EMR) system – ensuring your care is not only thorough, but seamless.

Fully covered by Malpractice Insurance, we offer you trusted, reliable care across a growing range of medical specialties, and subsidized options for Radiology, Laboratory, and Pharmacy are also available. Whether you're seeking preventative care, ongoing treatment, or a second opinion, we're here to support you – every step of the way.

## IMAMIA MEDICS INTERNATIONAL

www.imiamedics.com

Imamia Medics International (IMI) is a registered 501(c)(3) non-profit registered in the US in 1994. IMI also holds Special Consultative Status with the UNESCO since 2006 and accreditation by the United Nations Department of Global Communications since 2000.

**No human should be denied access to basic healthcare just because they lack the funds to afford it, cannot travel safely to receive it, or are stuck within a system that doesn't prioritize their ability to receive it.** Keeping up with this need, IMI runs charity medical services around the world.
